

Time to get up and feed the horse!

Time to bring the horse to the gallops for exercise.

Time to bring the horse back to the stable for some rest.

Time to let the horse out in the field.

Time for the horse's lunchtime feed.

Time to groom the horse.

Time to feed the horse their dinner.

Time to check the horse for hay and say goodnight!

Time to set your alarm and go to sleep - Goodnight!

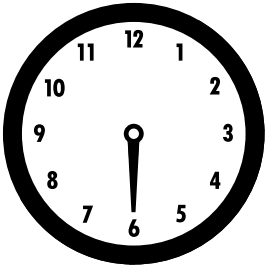

# Tell the time at the yard!

Write down the times on the clocks in the boxes to learn more about how a stable yard works!
